Excel with Gabe!

Want to learn Excel, this is your opportunity! Join me for a fun class on the basics of Excel!

In this class we will:

- Learn how to make spreadsheets
- Understand how to navigate Excel
- Learn how to expand our Excel skills together!

Inorder to join you must:

- Be 18 years or older
- Have basic computer literacy (How to operate and utilize a computer)
- Have a willingness to learn :)

Classes will be held at the library on October 2nd and 16th from 4:30-5:30. Call to reserve your spot, only so many seats!

For more information please call the Crystal Falls District Community Library at 906-875-3344
